****TERMS AND CONDITIONS:** Walnridge Farm Inc must approve all contracts. This contract is valid only to mare listed and owner/agent named. All mares must be USTA registered. If stallion becomes unserviceable, this contract is void. Neither Walnridge Farm Inc nor the Stallion Owner/Syndicate shall be liable for injury, disability or death suffered by this mare or its foal from any cause. Walnridge Farm Inc. is authorized, at the expense of owner/lessee, without liability, to engage vet services, trim feet, worm, vaccinate, administer feed, conduct veterinary examinations or do any other work on mare or foal deemed by Walnridge Farm to contribute to their general health; including the right to transport, in veterinary emergencies, to an appropriate veterinary treatment center. The service fee is due and payable when the mare has a live foal. A live foal is one that is able to stand up and nurse. If the mare fails to produce a live foal, a service fee paid in advance will be refunded upon receipt of a certificate from a vet stating that mare has been pronounced barren, has slipped, or has given birth to a dead foal; or the foal is unable to stand and nurse. In the event the mare is sold prior to foaling, the service fee is immediately due and payable. There will be a 2% late charge on all charges 30 days past due. Mating certificates will be issued once service fee is paid in full.
